A COMMITMENT

FROM THE STAFF AT MARUCCI ELITE:

Marucci Elite Baseball Camps will provide every player the total baseball education. We strive to build self-esteem and self confidence that influences not only performance on the baseball field, but all phases of a child's life. Every child at our Marucci Elite Baseball Camps begins on an even playing field. It doesn't matter if they are a future Major Leaguer or a beginner just learning how to throw and catch. The true reward is knowing that every camper is going home happy, looking forward to attending the next day, and learning that hard work and dedication make you feel good about yourself. We look forward to making a positive impact on your child through the great game of baseball.

PLAYER TO COACH RATIO

A minimum of 1 coach to every 10 campers will be maintained at all times

BASEBALL SKILLS TAUGHT

Hitting, Bunting, Baserunning, Sliding, Fundamental Training, Individual Position Play, Game Situations, Team Offense and Defense. Marucci Elite will divide campers into ability groupings so that the appropriate level of instruction for each camper is provided for the beginning to advanced level player.
